v

ENT19

[2022] HCASL 94

S209/2021

- 1 In light of the amendments to s 197C of the *Migration Act 1958* (Cth), this application for special leave to appeal from a judgment of the Full Court of the Federal Court of Australia (Collier, Katzmann and Wheelahan JJ) raises no question of general principle sufficient to warrant the grant of special leave to appeal. Further, the proposed ground of appeal has insufficient prospects of success to warrant the grant of special leave to appeal. The application should be dismissed.
- 2 Pursuant to r 41.08.1 of the *High Court Rules 2004* (Cth), we direct the Registrar to draw up, sign and seal an order dismissing the application with costs.
